Eminence is nestled in the heart of the Ozarks where the Current and Jacks Fork Rivers come together. There are opportunities for horseback riding, canoeing, kayaking, rock climbing, etc. The town's source of pride is the school with hundreds of parents in attendance for the PTO festival, parent-teacher conferences, and other events. The Eminence School District is one to one student to chromebook. All classrooms have smart board technology. The staff is happy, friendly, and close-knit. This would be a wonderful place to make a big difference for some kids who really need a boost.

Eminence R-I is an Equal Opportunity Employer. Eminence R-1 participates in E-Verify.
